Drug-Free Workplace Act Certification

The Commonwealth of Massachusetts, by submitting this LIHEAP State Plan and Application, is providing the certification set out below which requires, by regulations, the implementation of the Drug-Free Workplace Act of 1988, 45 CFR Par 76, Subpart F. The regulations, published in the May 25, 1990 Federal Register, require certification by grantees that they will maintain a drug-free workplace. The certification set out below is a material of fact upon which reliance will be placed when the U.S. Department of Health and Human Services (HHS) determines to award the grant. If it is later determined that the grantee knowingly rendered a false certification, or otherwise violates the requirement of the Drug-Free Workplace Act, HHS, in addition to any other remedies available to the federal government, may take action authorized under the Drug-Free Workplace Act. False certifications shall be grounds for suspension of payments, suspension or termination of grants, or government-wide suspension or debarment.

Workplaces under grants, for grantees other than individuals, need not be identified on the certification. If known, they may be identified in the grant application. If the grantee does not identify the workplaces at the time of application, or upon award, once workplaces are identified, the grantee must keep the identity of the workplace(s) on file in its office and make the information available for federal inspection. Failure to identify Year all known workplaces constitutes a violation of the grantee's drug-free workplace requirements.

Workplace identifications must include the actual address of buildings (or parts of buildings) or other sites where work under the grant takes place. Categorical descriptions may be used (e.g., all vehicles of a mass transit authority or state highway department while in operation, state employees in each local unemployment office, performers in concerts hall or radio studios).

If the workplace identified to HHS changes during the performance of the grant, the grantee shall inform the agency of the change(s), if it previously identified the workplaces in questions (see above).

Definitions of terms in the Nonprocurement Suspension and Debarment common rule and Drug--Free Workplace common rule apply to this certification. Grantees' attention is called, in particular, to the following definitions from these rules:

"Controlled substance" means a controlled substance in Schedule I through V of the Controlled Substance Act (21 USC. 812) and as further defined by regulation (21 CFR 1308.11 through 1308.15).

"Conviction" means a finding of guilt (including a plea of nolo contendere) or imposition of sentence, or both, by any judicial body charged with the responsibility to determine violations of the federal or state criminal drug statutes;

"Criminal drug statute" means a Federal or non-federal or state criminal drug statute involving the manufacture, distribution, dispensing, use, or possession of any controlled substance;

"Employee" means the employee of a grantee directly engaged in the performance of work under a grant, including: (i) All "direct charge" employees; (ii) temporary personnel and consultants who are directly engaged in the performance of work under the grant and who are on the grantee's payroll. This definition does not include workers not on the payroll of the grantee (e.g., volunteers, even if used to meet a matching requirement; consultants or independent contractors not on the grantee's payroll; or employees of Subrecipients of subcontractors in covered workplaces).

The Commonwealth of Massachusetts certifies that it will or will continue to provide a drug-free workplace by:

- (a) publishing a statement notify employees that the unlawful manufacture, distribution, dispensation, possession, or use of a controlled substance is prohibited in the grantee's workplace and specify that actions that will be taken against employees for violation of such prohibition;
- (b) establishing an on-going drug-free awareness program to inform grantees about:
 - (1) the dangers of drug abuse in the workplace;
 - (2) the state's policy for maintaining a drug-free workplace;
 - (3) any available drug counseling, rehabilitation, and employee assistance programs; and
 - (4) the penalties that may be imposed upon employees for drug abuse violations occurring in the workplace;
- (c) making it a requirement that employees to be engaged in the performance of the grant be given a copy of the statement required by subparagraph (a);
- (d) Notify the employee and grantee in the statement required by subparagraph (a) that, as a condition of employment under the grant, the employee will:
 - (1) abide by the terms of the statement; and
 - (2) Notify the employer in writing of his or her conviction for a violation of a criminal drug statute occurring in the workplace no later than five (5) calendar days after such conviction;
- (e) Notify the agency in writing, within ten (10) calendar days after receiving notice under subparagraph (d)(2) from an employee or otherwise receiving actual notice of such conviction. Employers of convicted employees must provide notice, including position title, to every grant officer or other designee on whose grant activity the convicted employee was working, unless the federal agency has designated a central point for the receipt of such notices. Notice shall include the identification number(s) of each affected grant;

(f) taking one of the following actions within thirty (30) calendar days of receiving notice under subparagraph (d)(2), with respect to any employee who is convicted:

(1) taking appropriate personnel action against such an employee, up to and including termination, consistent with the requirements of the Rehabilitation Act of 1973, as amended; or

(2) requiring such employee to participate satisfactorily in a drug abuse assistance or rehabilitation program approved for such purposes by a federal, state, or local health, law enforcement, or other appropriate agency;

(g) making a good faith effort to continue to maintain a drug-free workplace through the implementation of paragraphs (a), (b), (c), (d), (e), and (f).
